### Day to Day Itinerary

Your day will begin with a red carpet welcome at your departure station where our attentive Stewards will usher you aboard the Northern Belle luxury train for a journey to remember forever. Once you've been escorted to your plush seat, one of our liveried Stewards will carefully pour a glass of Laurent-Perrier La Cuvée Brut NV Champagne as you study celebrated Head Chef Matthew Green's sumptuous menu.

Ahead lies a journey back to the Golden Days of rail travel, a time when nothing was too good for the pampered passengers. As the date of your journey draws near our Executive Head Chef and his team will be hard at work in the kitchen carriage preparing a sumptuous seven-course lunch, accompanied by our Sommelier's choice of wine. Each course boasts the finest seasonal ingredients from the British Isles, classic and innovative dishes are crafted in our recently refurbished kitchen carriage.

As the glorious British countryside passes by, indulge in freshly prepared canapés including caviar blinis. Then your starter is served, followed by a seasonal soup course, hand served by one of our highly skilled Stewards. The main course follows shortly after, intricately crafted and showcasing the best of British produce inspired by the route ahead. Later we'll serve a seasonal dessert that has been freshly prepared by our team of chefs. To round the journey off, choose from an array of British cheeses from our award-winning cheese board, accompanied with chutney, fruitcake, biscuits and a glass of Port. Finally, mull over the journey with Fortnum & Mason tea and petits fours.
