Day to Day Itinerary:

Rochers-de-Naye (Marmots' Paradise)

High above Lake Geneva lies Rochers-de-Naye, offering visitors breath-taking views of the lake and the French Alps. Discover marmots from all over the world in the didactic center.

Les Pléiades

A cogwheel train leaves Vevey and brings visitors to Les Pléiades, a vantage point offering many lovely hikes and an open-air exhibit depicting the cosmos (Astro Pléiades). Here, you can learn all about the planets and the galaxies.

Mont-Pèlerin

Discover the vineyards of the Lake Geneva Region on the ride that connects Vevey and Mont-Pèlerin, a plateau high above the city with a wonderful view.
