

TRAIN : Bernina Express

JOURNEY : Chur to Tirano (or vice versa)

Journey Duration : Scenic Day Trips

Day to Day Itinerary

Beginning in Chur, the oldest town in Switzerland, the route travels south along 122km of track, through 55 tunnels and 196 bridges including the spectacular Landwasser Viaduct. The route meanders past glaciers, an alpine garden and rushing mountain streams, passes through the 5 Albula Tunnel and climbs over the Bernina Pass to more than 7,000 feet before crossing the Italian border to arrive in the village of Tirano.
