TRAIN : Qinghai Tibet Railways

JOURNEY : Guangzhou to Lhasa (& vice - versa)

Journey Duration : Scenic Day Trip

Day to Day Itinerary

Despite the long riding distance, Guangzhou is an important gateway city to enter Tibet by train. The Train No. Z264 from Guangzhou departs every day at 09:15 a.m. and arrives in Lhasa at 14:17 on the third day. It is the longest journey (53:02 hours) one could experience by taking a train to Tibet. The train will cross several southeast provinces after joining in the Qinghai-Tibet train route at Xining Railway Station. From Lhasa, the return train departs at 12:40 for Guangzhou.
