

TRAIN : Eurostar

JOURNEY : London Ski Train to the French Alps

Journey Duration : Scenic Day Trips

Set off from London St Pancras International, grab a connection at Lille Europe, and hop off at Chambéry, Albertville, Moûtiers-Salins-Brides-Les-Bains, Aime-la-Plagne, or Bourg-Saint-Maurice – all without getting stuck in traffic. It’s just that simple and relaxing.

On your way home, just do the trip in reverse on a Sunday. But be sure to arrive at least 20 minutes before departure. When you arrive at Lille Europe for your train to London you’ll need to go through border control and security before you board your Eurostar train.
