Journey Duration : Scenic Day Trips

Itinerary:

Get to know your personal limits – at the playground of the Red Bull Racing Ring in Spielberg because this region offers various actions for young and old. Your day will start with an invigorating brunch on board of the luxurious Majestic Emperor Train. After an entertaining ride across the Semmering a shuttle bus will bring you from the train station Knittelfeld directly to the Red Bull Racing Ring where you will be welcomed with an inspiring glass of sparkling wine before having the unique chance to take a (guided) look behind the scenes of the Formula 1 – directly into the pit lanes.

Afterwards you will experience Action Pure at its highest (adrenaline) level. For further details see the program below. Once again back on board of the Majestic Train de Luxe you will be refreshed by a glass of sparkling wine and celebrate your (small and big) success of this entertaining day full of action, completed by the delight of a 4 course menu with exclusive wines. Our party wagon Excelsior will offer you the perfect platform for a great chill out.
